Dear Parents

RE: European Languages 2020

Your child has expressed an interest in the European Languages Club and has been allocated a place. For this club to run smoothly I hope the following information will be helpful. Please could you return the reply slip below confirming your child's participation. Children will have lunch first and then meet in the ICT suite at 12.30. The club will be using the educational package (Linguascope) we have purchased for the use in the classroom and at home. This resource provides fun and age/experience related activities in French, Spanish, German and Italian which I hope will enthuse your children in learning a foreign language or two.
