- i. Save life;

- iii. Minimise loss;

This sequence will determine the priorities of the emergency plan. The plan will be agreed by the Governing Body and be regularly rehearsed by staff and pupils. A Safety Data sheet must be obtained from the supplier.

Smoking: Smoking is not permitted anywhere on the school premises.

Visitors: It is the duty of all personnel within the school to ensure the health and safety of all visitors to the school. All visitors must report to Reception and sign in and wear a school visitors' badge if they are not regular visitors to the school. Contractors: Contractors working within the school are required to comply with Swindon Borough Council Contractors' Procedures, including the safeguarding of children arrangements. Any breach of these rules must be reported to the Headteacher.
