

European Development Plan

Working Internationally
To Improve Outcomes for All
2018-2020

Language Acquisition:

- To improve the teaching and learning of Modern Foreign Languages.
- To increase language Acquisition through extra-curricular opportunities.
- To give real opportunities to speak to other people in a different language.

Being Innovative:

- To explore new ideas, opportunities and resources in our international work.
- Inspire and enthuse staff to try different approaches in the pursuit of excellence.
- Ensure the teaching and learning of international related work is engaging and fun using new technologies.

Complete KA 229 Key Action Project: 2018 – 2020

“Let’s All Grow Together.”

Knowledge of the World:

- To compare and contrast other places with Wanborough.
- To make the teaching of Geography more relevant and dynamic.
- To introduce more international themes and discussion into our whole curriculum.

Cultural Awareness:

- To interact and experience working with others from different countries.
- To appreciate and respect cultural differences.
- To gain real exposure to different cultures.

Apply for KA 101 Mobility: 2019 -2020

“Maximising Potential in Oneself and Others.”

Enriching the Curriculum:

- To enrich our curriculum through E-twinning work.
- To give teachers new and dynamic resources to support all curriculum areas.
- To use and develop new methods and technologies.

Achieving Recognition:

- To achieve the E-twinning School label.
- To be re-accredited with International School Award status.
- To attract prospective parents and pupils to our school through our international work.
- To advise and support other schools seeking mobility and cooperation activities.

Working Collaboratively:

- To work with other schools from other countries on a variety of curriculum projects.
- To work with other schools and organisations on school improvement priority issues.
- To provide staff with high quality professional development opportunities.
