

Guidance for parents and pupils to support returning to school: COVID-19

To help keep you, your child and everyone else safe, the following measures have been put into place.

Reception, Years
1, 2 and 3 will
have lunch in the
hall.

Lunch will be eaten in
the classrooms for
Years 4,5 and 6.

Lunch will be
provided for all
children who receive
'free school meals'.

Keep your coat, bag
and packed lunch
under your desk.

Bring in labelled
coats and trainers
that you can easily
do up yourselves.
Grown-ups in school
will not be able to
help you.

Bring your own, labelled
water bottle, already full
with water.

Your own pencils and
resources will be
given to you, and
they are not to be
shared with anyone
else.

We will try and give you time
outside as much as possible,
to play and to learn. You will
still need to stay in your bubble
and zoned area when you are
outside.

Places will be kept as far
away as possible, and
you need to stay in your
place at all times, unless
told otherwise by a
grown-up in school.

Movement around the
school is restricted and
you must ask your
grown-up before
moving away from
your place.

Ensure you regularly and carefully wash
your hands, for 20 seconds, following the
signs. You must wash your hands whenever
you are asked to do so.

Break times will be
staggered throughout the
day and you may be
asked to stay in a specific
part of the playground.

Teachers and other
adults will have their
own marked off space,
which you are to stay
out of. This is to help
keep them safe.

Only 1 child at a time will be allowed to go
to the toilet.

If you need to see a
grown-up in school on
your own, or if you are
hurt, they may
sometimes wear a
mask and have gloves
on. This is ok and it is
to keep you both safe.

School may feel a
little different to
normal, and your
grown-up in school
will talk to you
about this when
you come back.

There will be the same rules about handwashing
and social distancing. These are just as important
as your other school rules, and you must do your
best to follow them.

Further information for Parents

- Attendance from March 8th is not optional. Children should attend school.
- Start and end times will continue to be staggered. Please respect other parents, staff and children when entering the site and stay 2 metres apart from members of other households at all times.
- Key Stage 2 children should continue to enter the school side gate without parents.
- Parents must supervise their own children, keeping them with them at all times.
- Parents should arrange for only one adult to bring their child to school. Where possible, please avoid bringing other siblings.
- Parents need to wear face coverings when on the school site.
- Parents with a single child should not arrive more than 5 minutes before the scheduled start time.
- Parents with a single child will not be able to collect their child before the scheduled end of school time, unless written confirmation has been received for an appointment etc.
- Parents with more than one child should not arrive earlier than 5 minutes before the earliest start time.
- Parents with more than one child are encouraged to collect their children at the scheduled end of day times, to allow for maximum teaching time. However, parents should not wait on the school site.
- All communication should continue to be through phone or email. School offices will only be open for deliveries.
- Please talk to your children about what returning to school means for them. If you or they have any anxieties, please let us know and we will talk to them about this.
- If your child has a temperature, a new or persistent cough or a loss of taste and/or smell or any other symptoms that may be associated with COVID-19, DO NOT send them to school.
- Please inform the school if your child or anyone in your household is taking a test.
- The school will continue to set work remotely if children / bubbles have to isolate.

Ready to Return Checklist:

- Check the start and end times for your child.
- Check PE days as your child should come to school in their PE kit / tracksuit.
- Remind children of social distancing measures and why they are important.
- Have a clearly labelled water bottle and packed lunch box.
- Have coats and trainers that they can dress themselves. Help your child practise being independent.
- Update the teacher on anything important that has changed since lockdown began. This can be done via email to the school.
- Talk to your children around how they feel about returning to school.
