Dear Parents

With hopefully lots of sunshine in term 6, may I remind parents of the measures we have in place at school to ensure everyone's safety if the weather becomes very hot.

Protection

- Shade - children will be encouraged to sit in the shade in the playground and field.
- Sun shades (natural and man-made) will be available for children to sit under.
- The availability of shade is considered when planning excursions and all outdoor activities
- On extremely hot days pupils will remain inside during lunchtimes and PE.
- Children will be encouraged to keep hydrated throughout the school day.

Clothing

- Children should bring sun hats to school to wear at playtimes and during outdoor PE lessons in the summer term.
- Children may bring sunglasses to school to be worn outdoors on bright days
- All teachers, teaching assistants and lunch-time supervisors will be encouraged to wear hats when on playground duty and during sports lessons, when necessary.

Sun Screen

- Sun screen use will be encouraged on school trips and for outdoor PE lessons.
- Children can bring their own sun screen and apply it themselves.
- Children may only use their own sun screen.
- Teachers will not apply sun screen to any children.
- Parents are asked to teach their children how to sensibly use and apply these screens and will clearly label them and put them in their child's bag for their own use.

Yours sincerely

Andy Drury
Headteacher
