Wanborough Primary School Development Plan 2026/27

Every year the school produces a School Development Plan to drive continuous improvements across all areas of the organisation. The priorities identified are established following a self-evaluation of the previous academic year, which includes reference to national and internal school outcomes, stake holders' views and developments in local and national policy and procedures. The school completes this plan in September and uses the targets within it to hold senior leaders and staff to account during the following school year, overseen by the Local Governing Body within The Blue Kite Academy Trust. For 2026/27 the following priorities were identified as you can see in the table below.
